

The Best Two Weeks of Summer

Why Your Child Needs ECDC

Old Fashion Fun & Outdoor Adventure

Days at ECDC are tech-free and full of whimsy, allowing campers' imaginations to thrive. With the right combination of small group activities, off-site adventures, and all-camp games and gatherings, camp allows kids to explore new interests and dive deep in to creative play.

Staff That Make All The Difference

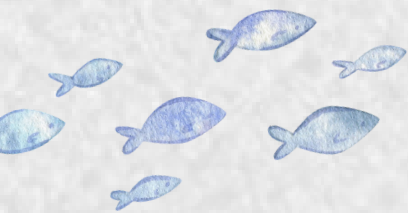

Our staff is our hallmark! Well-trained and supported, these young adults are ready with a hug, gentle guidance, and joyful celebration for each camper. ECDC staff strive to help campers connect and succeed, and to know that they are valued and they belong.

Life Skill Development

ECDC's program is intentionally designed to help campers hone life skills that they can lean on all year long. Practicing how to make and keep friends, "try-try-again", listen well, and work as a team springs naturally from ECDC's environment of collaboration and encouragement.

Experiencing God's Love

Campers have the opportunity to understand God's love more deeply as they sing songs about Him, discuss Bible stories, and revel in the wonder of nature. Staff model friendship with God in down-to-earth ways as they live out kindness, respect, and joy throughout every session.

“My son can be a shy and timid homebody, but he woke up each morning of camp ready to go, hurrying us out the door. He tried so many new things that previously scared him, like horseback riding, rock climbing, skateboarding, and more **At ECDC, he discovered that he loved them all.**”
